LUNATIC ASYLUMS (IRELAND).

RETURN to an Order of the Honourable The House of Commons, dated 3 August 1857;—*for*,

COPY "of the REPORT of the COMMISSIONERS appointed by the Lord Lieutenant of *Ireland*, under the Act 18 & 19 Vict., c. 109, to ascertain the Equitable AMOUNT to be Repaid by the COUNTIES in *Ireland* transferred to other LUNATIC ASYLUM DISTRICTS; accompanied by a Tabular Statement of the Sums ordered to be Paid to each County by any other County, under the Orders of the Lord Lieutenant, the Number of Instalments, and the Amount of each Instalment; and of the Sum ordered to be Paid by each County in *Ireland* for District Lunatic Asylums, the Number of Instalments, and the Amount of each Instalment."

— I. —

REPORT of the COMMISSIONERS appointed by the Lord Lieutenant of *Ireland*, under the Act 18 & 19 Vict., c. 109, to ascertain the Equitable AMOUNT to be Repaid by the COUNTIES in *Ireland* transferred to other Lunatic Ayslum Districts.

LUNATIC ASYLUM COMMISSION, 18 & 19 Vict., c. 109.

Sir,

HAVING received through you the warrant of his Excellency the Lord Lieutenant, appointing us Commissioners for the purpose of ascertaining the equitable amount to be repaid to certain counties lately separated from the lunatic asylum districts to which they belonged, by the counties remaining in those districts, we beg to submit to you, for the consideration of his Excellency, the following Report on the subject:—

Before giving you the result of our investigations and inquiries, we think it desirable to state the course we adopted in order to give all parties interested an opportunity of making their claims, or stating their views in reference thereto.

In the first instance, as the Lent Assizes were about to be held shortly after the receipt of our Commission, we sent a circular to the secretaries of the grand juries of the several counties concerned, as well as to the managers of the several lunatic asylums, stating that we should attend at each of the lunatic asylums of the old districts shortly after the then ensuing Assizes, for the purpose of inspecting the buildings, and also of receiving such information or evidence as they might tender to us, in order to lead us to an equitable adjustment of the claims on which we had to report. Copies of the circulars sent to the secretaries of the grand juries, and to the managers of the lunatic asylums, are given in the Appendix to this Report.

We further suggested, that each of the grand juries should appoint a committee to meet us at the respective buildings on the occasion of our inspection. We also sent forms to each of the parties before mentioned, to be filled up, showing the amount of the expenditure under different heads. This form is also given in the Appendix.

After the Lent Assizes, we appointed the days of our inspection of the several asylums, of which due notice was again given to the parties interested, and we attended at the following places at the times mentioned; viz.—

Londonderry - - - - - -	28 February.
Carlow - - - - - - -	8 April.
Maryborough - - - - - -	10 April.
Limerick - - - - - - -	18 April.
Ballinasloe - - - - - -	22 April.
Armagh - - - - - - -	23 May.
Richmond (Dublin) - - - -	28 May.

Each of the meetings was generally attended by one or more members appointed by the grand juries of each of the counties, as also by the Board of Governors. After making a general inspection of the building, in order to ascertain the state of repair, we requested that the parties who represented the interest of the retiring county should state their claims; after which, we heard any statement made by the parties connected with the counties remaining in the old districts.

It is not necessary for us to state here the various arguments which were brought forward on either side. Many very able statements in writing have been since sent to us, to all of which we have given very careful consideration. We may specially, however, refer to the points raised by the committee of the county Kerry, respecting Limerick Asylum, and also by the committee of the county Meath, respecting Richmond Asylum, which we considered of so much importance as to make it advisable to forward them to you, for the opinion of the law advisers of the Crown; having, however, been informed that these points were not valid, our Report has been made up without reference thereto, leaving it to the counties to appeal to the Privy Council against the Report, should they think it desirable.

Having thus given an outline of our proceedings, we shall give the result of our views, in a tabular form, as to the equitable amount to be repaid by each and every of the several and respective counties mentioned in Schedule (A.) to the several and respective counties in Schedule (B.), referred to in the Warrant of his Excellency.

The following Tables will, of themselves, sufficiently explain the basis on which we have proceeded in making our valuation and assessment.

We have, &c.

APPENDIX.

WARRANT appointing Sir *Thomas Deane* and *Charles Langon*, Esq., to be Commissioners under the Lunatic Asylums Repayment of Advances (Ireland) Act, 1855.

By the Lord Lieutenant General and General Governor of *Ireland*.

CARLISLE.

Whereas under the provisions of the several statutes in that case made and provided, certain asylums for the lunatic poor in Ireland have been from time to time ordered by the Lord Lieutenant and Privy Council of Ireland to be erected, enlarged, or extended, the expenses whereof were to be advanced by the Commissioners of Her Majesty's Treasury, out of the growing produce of the Consolidated Fund of the United Kingdom arising in Ireland:

And whereas provision is made by the several statutes aforesaid for the repayment of such advances by the several counties forming the district of such asylums, of the monies so advanced, such repayments to be made by the counties within the district, in and for which such asylums should be erected and established on the order of the Lord Lieutenant and Privy Council, in such manner, and at such times, and in such proportions as should be fixed by such order:

And whereas the grand juries of the several counties in Ireland in or for which, either wholly or in part, any such asylum has been or shall be erected and established, are by the provisions of said Acts bound to present, without any previous proceedings at presentment sessions, the sum or sums fixed and ascertained by such order, to be repaid by such county:

And whereas several lunatic asylums have from time to time been erected in Ireland, and the districts annexed to each respectively have been changed from time to time under the provisions of said Acts:

And whereas by an Act passed in the 18th and 19th years of Her Majesty's reign, intituled, "The Lunatic Asylums Repayment of Advances (Ireland) Act, 1855," it is amongst other things enacted, that in case of change of old districts and establishment of new districts, it should and might be lawful for the Lord Lieutenant and Privy Council, if they should so think fit, to ascertain and fix the equitable amount to be repaid by any county or counties, remaining within the old districts, to any county or counties transferred to the new districts, and the proportions and instalments of such repayments:

Now we, George William Frederick Earl of Carlisle, Lord Lieutenant General and General Governor of Ireland, do hereby constitute and appoint you, Sir Thomas Deane, Knight, and Charles Langon, Esq., to be our Commissioners and Valuators, for the purpose of duly ascertaining the equitable amount so to be repaid by each and every of the several and respective counties in Schedule (A.), hereafter named, to the several and respective counties in Schedule (B.), hereafter named; and to use all convenient speed in reporting thereon to us without delay.
